- Capacity: 30 students.
- Near the east entrance of the campus.

### Room 203:

- Located in the Engineering Hub, Second Floor.
- Capacity: 25 students.
- Positioned directly west of the main library.

### Room 101:

- Located in the Mathematics Block, First Floor.
- Capacity: 20 students.
- North of the student union.

### Building Locations:

- Roberts Building is on the east side of campus.
- Engineering Hub is west of the main library.
- Mathematics Block is north of the student union.

### Room Numbering Rules:

- Rooms beginning with G are on the Ground Floor.
- 1xx rooms are on the First Floor.
- 2xx rooms are on the Second Floor.

### Access Notes:

- All buildings are wheelchair accessible.
- Most tutorial rooms have projectors and whiteboards.

### Tips:

- Engineering Hub has a coffee kiosk on the ground floor.
- Mathematics Block is the quietest building for tutorials.
- The Roberts Building tends to be busy between 10am and 2pm.
